 <p>Foods of the Bible: Dinner</p>	<p>An evening with wonderful and original foods, learning a little about the St John's Bible and helping to support the upcoming exhibit</p> <p>This fall we will be hosting one of the biggest exhibitions in our history, Illuminating the Word: The Saint John's Bible. The exhibition features 68 original pages of calligraphed and hand-illuminated calfskin vellum that have toured only a handful of U.S. locations on their way to a permanent home at a new gallery built in Collegeville, MN.</p> <p>The Minnesota project highlights a world of many faiths, cultures, and perspectives; it seeks to bring inclusivity, community, and compassion to the forefront of our arts, histories, and faiths; and we are incredibly fortunate to have the opportunity to share it with our community.</p> <p>To help defray the expenses associated with hosting an exhibition of this magnitude, we are holding a fundraiser on Tuesday, March 21, to share our goals for the project and spread the good word. The event will feature a silent auction, cash bar, open museum tours, and an introduction to The Saint John's Bible. We will also be sharing a fantastic meal by the Rex Cafe, featuring a selection of foods from the Bible.</p> <p>We are suggesting a donation of \$50 and asking attendees to RSVP by Tuesday, March 14. To reserve a seat, call us at (218) 299-5511, ext. 6739; email us at sjb@hccsmuseum.org; or register online at www.hccconline.org.</p> <p>Event registration link: https://www.eventbrite.com/e/the-foods-of-the-bible-an-hccsc-fundraiser-for-the-saint-johns-bible-tickets-32412456530</p>	<p>03/21/2017 6-8pm</p>	<p>Suggested donation: \$50</p>	<p>Hjemkomst</p>
